**Re: Mission Ridge Towne Center Unit One
Waiver Request
TRE No.: 1502-10499-14**

Dear Mr. Nelson Ortiz:

On behalf of Hunt Communities Development Co. II, LLC, we are hereby respectfully requesting a waiver per **Section 19.10.050** and **Section 19.48.010** to allow the following:

- **Waiver Request for Eastlake Boulevard:**
We are asking for a waiver request of sidewalk improvement for the 110 ft. right-of-way Major Arterial. Eastlake Boulevard is currently 140 ft. of right-of-way with 25 ft. of pavement in each direction, 20 ft. of parkway on the west side and 15 ft. of parkway on the east side with 5 ft. of sidewalk. The El Paso County is currently under the design phase and has funding to reconstruct Eastlake Boulevard in the near future (2018) to meet all minimum requirements for the 110 ft. Major Arterial street cross section.
- **Waiver Request for Coxdale Street:**
We are asking for a waiver request to allow for a transition of right-of-way width from existing 52ft to proposed 74ft within the intersection crossing existing Paseo Del Este Boulevard. The El Paso County currently does not allow proposed 52ft right-of-way width and, therefore, transition of right-of-way width must occur within an intersection.

We respectfully request the above mentioned waiver request to the roadway standards. Should you have any questions or need any additional information, please do not hesitate to contact me or Mr. Roberto S. Romero, P.E. at 915-852-9093.

Sincerely,

TRE & Associates, LLC

PLANNING AND INSPECTION DEPARTMENT – LAND DEVELOPMENT:

No objections to proposed plat.

CAPITAL IMPROVEMENTS DEPARTMENT – PARKS:

We have reviewed Mission Ridge Towne Center Unit One, a major combination plat map, and on behalf of CID Parks Planning Division we offer Applicant / Engineer the following comments:

Please note that this is a Non-residential subdivision composed of two (2) Commercial lots with a combined area of 18.661-Acres; Per City Standards a total of \$18,660.00 would have been required in the form of "Park fees" however

This subdivision is located with-in the City of El Paso Extra Territorial Jurisdiction (ETJ) area but not with-in the areas of potential annexation by the City, therefore meeting the requirements to be excluded from the calculation for "Parkland / fees" as IT IS NOT identified on the official map as described per ordinance Title 19 – Subdivision & Development Plats, Chapter 19.20 - Parks & Open Space as noted below:

Section 19.20.020 - Dedication Required

- A. Dedication Required. All subdivisions located within the corporate limits of the City of El Paso and within those areas designated in the City's extra territorial jurisdiction (ETJ), as identified on an official map kept in the Development Services Department.

CAPITAL IMPROVEMENTS DEPARTMENT:

The extension of Coxdale appeared to be the original location of the Minor Arterial that Mission Ridge is now satisfying; therefore we do not have a problem with the extension of Coxdale as a local street. Coxdale does not meet the Street Design Standards, I recommend that they as for an exception to the requirement and obtain County concurrence.

CENTRAL APPRAISAL DISTRICT:

No objections.

COUNTY OF EL PASO:

The county is improving Eastlake as part of the 2013 El Paso County Comprehensive Mobility Plan. Eastlake Boulevard Phase 1 construction is set to start March 2018. No improvements are required by the County of El Paso along Eastlake Boulevard. Furthermore, the County has no objections to the transition in width for Coxdale at the intersection of Paseo Del Este Blvd. and Coxdale Street.

EL PASO WATER:

No comments received.
